

Lucy Morgan, MyFedTrainer.com

Lucy Morgan uses her varied experiences to create a learning environment that is engaging yet purpose-filled. In her talks, Lucy provides the “real-world” connection that audience members want and the substance that meeting planners value.

The “*Federal Grant Insider*” Lucy Morgan delivers straight talk, delivered with a sense of wisdom and humor. She is a CPA, MBA, GPA Approved Trainer, Speaker, Author of 3 books including “*Decoding Grant Management- The Ultimate Success Guide to the Federal Grant Regulations in 2 CFR Part 200*” and “*The Diamond Mindset*” an Amazon ranked best-seller. Lucy is a leading authority on Federal grant management for non-profits, institutions of higher education and state, local and tribal governments. She has written over 250 articles on grant management topics, which are featured in LinkedIn, various E-zines and on the MyFedTrainer.com blog.

Lucy’s techniques and teaching style come from experience. Having faced many of the same grant management challenges her audiences have endured, Lucy understands that road between regulations and implementation can be a long and winding one. She knows what looks good on paper may not always work in the real world. Because she has been there, she speaks to the practical suggestions that finally create the links between theory and implementation. She uses stories from her personal journey moving from a corporate environment to the world of Federal funding, from confusion and discomfort to become a successful grant professional to remind her audiences that each of them bring valuable strengths for making the world a better place.
