

ONAP TRAINING

Maintenance

EVENT DETAILS

OCTOBER 3-4, 2017 | BISMARCK, ND

OVERVIEW

Participants at this 2-day interactive training will receive instruction based on real-life examples on how to successfully operate an effective maintenance program. The training will discuss budgeting and oversight, policies, staff roles in carrying out a range of maintenance activities, work order systems, preventative maintenance, unit turn-around, health & safety violations, homeowner maintenance, and team safety.

Please note: training materials will be provided on USB thumb drives. Participant binders will not be available. Participants should bring a device, such as a laptop, that has a USB port.

TRAINER

Wayne Mundy- Mr. Mundy has more than 25 years of experience in areas related to housing issues focusing on Native Americans and Alaska Natives. He served for 5 years as Administrator of HUD ONAP, responsible for the funding, oversight, and monitoring of the HUD ONAP American Indian and Alaska Native housing and related services for all of Alaska. He developed strategies to ensure that Federal government responsibilities are met in a timely manner for the review of grant applications, awarding of grant funds, monitoring of issued grants, and enforcement of problem grants. Previous positions held by Mr. Mundy since 1985 include Executive Director of the Bering Straits Regional Housing Authority, Real Estate Loan Manager for the Denali Alaskan Federal Credit Union, Director of the Housing Management Department for the Alaska Housing Finance Corporation, and Deputy Director of the Alaska State Housing Authority.
