

Appendix K – Annual Award Allocation of Tribal Opioid Response Grants

Funds will be distributed noncompetitively based on the distribution below. An application must be submitted in order for funds to be awarded. If individual tribes which are part of a consortium/tribal organization listed below wish to apply separately, funding for the separate application would be based on the proportion of the tribe's user population compared to the overall user population of the consortium. This funding must also be subtracted from the application of the consortium.

(Note: If all tribes do not apply, funds remaining will be redistributed to all grantees proportionally based on the same formula)
